

**CITY OF CIRCLEVILLE
HISTORIC DISTRICT REVIEW BOARD
104 EAST FRANKLIN STREET
CIRCLEVILLE, OH 43113
(740) 477-8224**

Notes from the February 18, 2015 Meeting
City Administration Conference Room

Members Present: Alice Massie, Paul Johnson, Barry Boyer and Valerie Goeller, Clerk.
Visitors Present: John Ankrom and Matthew Enright.

At approximately 9:00 a.m. Chairman Barry Boyer was unable to officially call the meeting to order due to not have a quorum present. However, it was agreed by the members in attendance to hear Mr. Enright's request since he was present. Valerie Goeller will solicit opinions from the other members not in attendance via email so that a recommendation can be passed onto the Planning and Zoning Commission.

COA #1-15, as requested by Matthew Enright of Heritage Trading Post, 117 West Main Street, for four signs totaling 43 square feet.

Barry Boyer stated the HDRB will be looking at it from an aesthetics view and the Planning and Zoning Commission will be reviewing as to code. It does appear you are requesting four signs and by code you are only allowed to have two.

Mr. Enright replied he would be in front of the Planning and Zoning Commission with a request for the additional two signs at their March meeting.

Paul Johnson remarked the signs were harmonious with the architecture of the structure. It was an improvement from what was there previously.

Alice Massie liked his signage.

Barry Boyer advised in the future he should consider using the same font for all signs, it lends continuity. The font on the signs that read "Heritage Trading Post" is nice.

Meeting concluded around 9:30 a.m.
