

## **Circleville Fire Department**

### **2023 Year in Review**

Total Runs: 4,605

Total EMS Runs: 3,448

Total Fire Runs: 1,157

Mutual Aid Given: 738

Mutual Aid Received: 113

Average Runs Per Day: 12.62

Total Personnel 12/31/2023: 23 Including Chief

The Circleville Fire Station had some major overhauls in 2023. The old roof was replaced after 21 years, the ceiling and walls were repaired in the front office that were damaged from water leaks due to the roof, the 4 front apparatus bay doors were replaced and included new door operators, and the 21-year-old carpet was replaced in the station with a laminate plank that's easier to clean and maintain.

Circleville Fire continues to train in many aspects of the fire/EMS/Rescue community. Members of CFD trained in Alabama, Florida, and Texas and learned new, up to date, and exciting new skills they can pass on to our entire staff. We were fortunate enough to be able to purchase a roof training simulator that allows us to practice these skills more often and more safely.

We resumed our department family Christmas party this year at our station, 57 people attended. Firefighter/Paramedic Chance Diehl and Firefighter/EMT Brandon Thompson were named co-firefighters of the year and Firefighter/EMT Joey Clark was named EMT of the Year.

Retirements- 0

Resignations- 5

New Hires- 10
