## PUBLIC MEETING NOTIFICATION

July 18, 2024

Dear Circleville Community,

In cooperation with the Federal Highway Administration (FHWA) and the US Department of Transportation (USDOT), the City of Circleville is developing a Safe Streets and Roads for All (SS4A) Safety Action Plan in an attempt to provide a safer transportation network for all road users. The Action Plan will review past crash data and roadway/roadway-user trends to identify projects and strategies to reduce or eliminate crashes resulting in fatalities and serious injuries within the City of Circleville.

The City invites you to a public meeting to hear information presented and provide feedback regarding the Action Plan. The meeting will consist of a presentation on the Action Plan materials from Stand Associates Inc. The meeting date, time, and location are as follows:

Tuesday, July 30, 2024  
6:00 PM to 6:30 PM  
Council Chambers  
127 South Court Street  
Circleville, OH 43113

At the meeting you will be able to review the SS4A components and how each of them applies to the City. Representatives from the City, and engineering consultants will be available to answer questions. A public survey will be posted online on the City of Circleville website and any feedback on the Safety Action Plan, the planning process, or any safety concerns.

Thank you for your interest in this project and the City sincerely appreciates your involvement.

Respectfully,

A handwritten signature in black ink that reads "Brian D. Frost".

Brian D. Frost  
Utilities Operations Manager
